YES on City of Seattle—Referendum 1

(The Seattle City Council passed Ordinance No. 122752 concerning imposing a 20-cent fee on disposable shopping bags. A sufficient number of voters signed a petition to refer the ordinance to a public vote.

This ordinance would require grocery, drug and convenience stores to collect the fee for every disposable shopping bag provided to customers. Stores with annual gross sales of under \$1,000,000 could keep all of the fees they collected, to cover their costs. Other stores could keep 25% of the fees they collected, and would send the remainder to the City to support garbage reduction and recycling programs. The stores would get a business-tax deduction for the fees they collected.)
