

# King County Democratic Central Committee

Post Office Box 58337 | Renton, Washington 98057 | [www.kcdems.org](http://www.kcdems.org)

February 2009

Become a proud member of a growing and exciting group that has reached out into the community and brought in record numbers of new voters and members. We have many exciting events planned for 2009 that include a Legislative Action Day in Olympia, Champagne Brunch/Auction in the Spring, King County Fair Booth, and our annual Honors Banquet. We have updated our training materials and will be teaching a curriculum that includes PCO Training (also available online), Leadership Training, and New Candidate Coursework.

We have upgraded our website to include precinct maps and election history where precinct history for 2008 will be complete in March; training materials; organizational documents including passed resolutions; great new calendar; and links to current news and events.

Join the King County Democratic Central Committee (KCDCC). Commit to a sponsorship level and have your name, title, organization, and website listed in our online and printed, newsletter and website throughout 2009.

I would be happy to meet with you and discuss the services we provide such as instructor-led training and other educational materials. Please consider signing up today.

Thank you,

Susan C. Sheary  
KCDCC Chair
